

Wishing you a very happy Christmas Day and a bountiful 2012 from all of us in Rugby

On 23 March 2011 we were blessed to be joined by our granddaughter Grace who is adored:
(clockwise from top left)

- by Auntie Maria, the day she was born,
- by her proud parents William and Rebecca and brother Alex, 3 years old on 1st July
- by her delighted Nana, Annabel
- and, today, dressed for the occasion!

Throughout the summer and long into the autumn Anna's allotment provided us with a cornucopia of food this year. Her excessively peripatetic and absent peon, Patrick, will be more available to work on her productive garden in 2012...

With all our love

Patrick and Annabel
